GROWTH MINDSET

A positive mindset can make a big difference to how we approach things.
“Just because you haven’t found your talent yet, doesn’t mean you don’t have one.”

CYMRAEG CAMPUS

Each week we will provide you with some Welsh phrases/word to try/learn with your family or within the community. Mwynhewch!

Dewch i mewn / Come in

NURSERY ADMISSION

Nursery applications for September 2025 admissions are open through Denbighshire County Council website.

The closing date for Nursery applications is **17th February 2025**.

GLAN LLYN RESIDENTIAL

Year 5 & 6 pupils will be attending Glan Llyn on their residential in March. **The full balance is required by 31st January**. Please ensure any outstanding amount is paid by this date. Thank you to those parents who have already paid.

CONSENT FORM

All pupils have a received a consent form for forest school/outdoor learning. Please returned the signed forms to school as soon as possible. Thank you

SEESAW

This term we will be reducing and then stopping the use of text messages and using your Seesaw accounts to send messages to parents. **Please ensure you have switched on your notifications for the Seesaw app on your phone to ensure you always know when a new message or your child’s work post has been sent.** Currently our text message service only allows us to send to one parent but both parents can have access to Seesaw, which will ensure both parents get the messages.

HEADLICE

Now we back together again, please remember to check your children's hair and all members of the family for head lice on a regularly basis and treat if live lice are found.

Checking for head lice shouldn't be considered a big deal; it is just a normal part of a family's personal hygiene routine like brushing teeth or washing hair.

- It is best to check for head lice using a comb made for the purpose, ideally white so they can be easily seen and with teeth no more than 0.3mm apart in order to trap head lice

- Combing through the hair when wet, or after applying a conditioner, may make the process more comfortable

- Good lighting is important and so is comfort

Treatment should only be applied if a living, moving louse is found – never 'just in case'

Continue to check for head lice on a regular, weekly basis – **ONCE A WEEK, TAKE A PEEK** www.onceaweektakeapeek.com

SUPPORT FROM GREGGS

This week all families would have received a letter regarding our partnership with Greggs and the support they can offer to families in need. If after reading the letter you believe you would be eligible for support, please contact Mrs Davies for a chat and we can apply.

GOOD EYESIGHT

1 in 5 children in the UK are living with an undiagnosed vision problem that can impact their learning and development.

Good eyesight is crucial. Around 80% of what is taught at school is presented visually.

Signs for you to look out for include: straining the eyes or tilting the head to see better, frequent eye rubbing, losing their place when they are reading, sensitivity to light, complaining of headaches or tired eyes, a turn in the eye or misdirection of the eyes, sitting too close to the TV or book, avoiding activities that require either near vision (reading) or distant vision (sports), or closing one eye to watch the TV or to read.

It's never too early to get children's vision checked. Early diagnosis is key. Eye tests are FREE for children under the age of 16 and if glasses are needed than you will receive an NHS optical voucher to pay for them.

OPEN AFTERNOON

We will have an open afternoon on **Monday 3rd February, 1.15-2.45pm.**

This is open to any prospective new parents who would like a tour of our school and see what we can provide. If you know of anyone who would like to visit, please ask them to phone (01490412418) or email (caer.drewyn@denbighshire.gov.uk) the school to book a slot.
